1 term only    **OR**     2 terms

If you are missing any of the above pre-requisites, which course(s) are you taking before the September term start date [Select all that apply]:

Biology     Chemistry     Physics     Mathematics     English

Do you require housing at BCIT's Burnaby Campus?     Yes     No

Will you be declaring Biotechnology as your first choice of major?     Yes     No

How many years of post secondary will you have completed by June?  years

Please answer the following questions in the space provided. Use complete sentences for each answer.

1. What is your career goal? What do you want to be doing 5 years and 10 years from now if you continue towards that goal?

2. Does the local life sciences/biotechnology industry play a role in your career goal? Briefly explain your answer.

**3. The Biotechnology joint degree program includes mandatory co-operative education work terms. Many potential employers seem to favour students with some practical paid work experience even when the work was not biological or scientific in nature. Describe any paid work experience you have and the skills you have acquired from the experience.**

**4. What strengths and skills will you bring to the program?**

**5. Describe any recent volunteer experience that demonstrates your leadership and/or teamwork skills.**

**Thank you for completing the Admissions Questionnaire for the UBC/BCIT Biotechnology program. To complete your application, please fax, email, mail or drop off this questionnaire and your current resume to:**

**Program and Marketing Assistant  
BCIT Biotechnology  
SW9 – 208, 3700 Willingdown Avenue  
Burnaby, BC V5G 3H2**
